Privacy Policy

The company, developers and management of this application are well aware that privacy is a massive concern in the information technology sphere. Accordingly, we commit to the following as our privacy policy:

1. Personal information will be collected for the following purposes including but not limited to;
   1.1. Statistical purposes;
   1.2. Regulatory requirements;
   1.3. Application development and updating; and
   1.4. Any other purpose as and when is required.

2. Personal information will be collected and used only for the purposes identified in paragraph 1 above and for ancillary purposes thereto, unless consented to by the individual/s concerned or required by law.

3. Personal information will be retained only as long as it is necessary to fulfil the purposes for which it was collected and it will be disposed of in a manner which ensures its confidentiality.

4. Personal information will be collected lawfully and fairly and with the knowledge and consent of the individual/s whenever appropriate.

5. Personal information collected will be relevant to the purpose for which it is to be used and will be accurate and complete.

6. We will have reasonable security measures in place in order to protect personal information against loss, theft, unauthorised disclosure, access, copying, modification or use.

7. Information in respect of our company's policies and practices in respect of personal information will be readily available to all our customers.
